

FINE MOTOR PLAY

Pompoms Bin and Tray

Toddlers and Preschoolers

This simple pompom bin activity can keep little hands busy sorting, stuffing and transferring. Remember to have FUN!!

You will need:

- Pompons
 - Bin
 - Ice tray
- Plastic tweezers/Kitchen Utility Tong/ Spoons

There are many playful ways to learn with this simple activity. Toddlers can work on color recognition and preschoolers can sort the pompoms by size and or color, create patterns, count, and practice the concept of one-to-one correspondence, all the while strengthening their hands and fingers and developing dexterity.
